PEACE TREATY NOT SOUND; ANOTHER WAR TO COME

—REV. G. BROMLEY OXNAM

Next Conflict to Exterminate
Power of White Race, Is
Speaker's Contention

By ARTHUR SHERBORNE
"The peace treaty is based upon principles that are economically unsound and mean another war."
This statement was made last night at the First Methodist church in the presence of several hundred members of the Federated Brotherhood of Glendale by the Rev. G. Bromley Oxnam, pastor of the Church of All Nations in Los Angeles, who spent last summer in Europe as a member of a commission which made an extensive study of industrial, social, religious and political conditions abroad. He met, personally, many of the outstanding figures in European affairs and brought back with him invaluable first-hand information.

"War must go from the face of the earth," declared the Rev. Mr. Oxnam. "The time has come for the church of Jesus Christ to organize itself so that it will have a voice and an influence in Washington on November 11 at the disarmament conference. We don't want a group of politicians there, but a group of earnest, God-fearing men. So far the church hasn't had much of a voice."

"The next war when it comes means the extermination of the white race as far as power is concerned."

Says Same Causes
"Let's face the facts and ask ourselves do we want this thing to happen again. The same causes that made the last war are there now."

"Lansing testified that the fourteen points were never discussed at the peace table. We violated our national honor when we went to the peace conference and did not see that (Continued on Page 5).

J. C. Bear, Father of Mrs. J. L. Murphy, Dies From Paralysis

J. C. Bear, father of Mrs. J. L. Murphy of 305 Stocker street, was stricken Saturday morning with a second attack of paralysis and passed away Tuesday night, October 18, 1921, at a local hospital without regaining consciousness. Mr. Bear was 63 years old. He came to California from Decatur, Illinois, in 1906 with his family of three children, who since have all married. He had been a resident of Alhambra since 1906 until February 22, 1918, when he suffered with the first stroke of paralysis. He was then moved to Glendale and made his home with his daughter here since that time.

Mr. Bear is survived by two daughters, Mrs. R. L. McCleary of Pomona and Mrs. J. L. Murphy of Glendale, and one son, Marion C. Bear of Patterson, Calif., as well as four grandsons.

Funeral services will be held in Alhambra at the chapel at the San Gabriel cemetery, L. G. Seaverny undertaking company in charge. Date of funeral has not been set.

J. E. Phillips Is Back From Business Trip to Eastern Cities

J. E. Phillips, proprietor of the Jewel City Undertaking company, returned Sunday night from a month's business and pleasure trip in the east. He visited Chicago, Grand Rapids, Detroit and many of the eastern cities.

Mr. Phillips states that business conditions are deplorable, and that not only is money hard to get, but that there are thousands of unemployed men walking the streets. He feels that the people of California should consider themselves especially fortunate in not having to contend with the pressure of the financial strain such as is experienced in the east.

He also says that weather conditions were very bad, especially so to one who has lived in California. A ten-days' rain, without any letup, and other such disagreeable storms, were encountered by Mr. Phillips during his tour of the east and he was happy to get back to Glendale.

Stained Glass Windows Given Catholic Church

The stained glass windows are being installed in the new Holy Family Catholic church at Elk and Louise streets under the direction of John C. Spaulding of the Ecclesiastical department of the Los Angeles branch of the Tiffany Studios. Mr. Spaulding has been having some difficulty in obtaining carpenters to leave their regular work to install the windows. He hopes to have the panes in place by the end of the week.

HOT SHOTS!

HERE are thoughts driven home last night by the Rev. G. Bromley Oxnam, speaking before the Federated Brotherhood of Glendale:

War must go from the face of the earth.
The next war means the extermination of the white race.

The same causes which made the last war are there now.
A new spiritual conception must be fired into the thought life of the world.

We may be involved in another world struggle before many years are gone.
The last war cost ten million dollars an hour.

The total cost of the war, exclusive of property damage, is given at \$329,000,000,000, but this does not include the cost of preparing for it.

The last war showed one thing: The tragedy and futility of war.
So far the church hasn't had much of a voice.

In the next war women and children as well as men will have to pay the price.

America holds the economic power of the world.

America has the power to force disarmament.

School Board Plans to Interview Architects

The City Board of Education met yesterday afternoon, according to the requirements of law for a brief session at the Intermediate school and canvassed the returns of the recent bond election.

It was decided to set aside every other Tuesday evening during next month for the interviewing of architects by appointment. Several of them will be invited to attend a special session of the board of education on Thursday, November 1. Only four or five architects have offered their services so far, but Superintendent R. D. White declared this morning that there might be thirty or so if the firms in Los Angeles took an interest in the matter.

Among the architects, who wish consideration, are: George M. Lladsey, who has recently opened an office at 127 West Broadway; Alfred Priest, designer of the Elks' clubhouse, who lives here but maintains an office in Los Angeles; Roy E. Bancroft, who also lives in Glendale and is associated with the Los Angeles firm of Montgomery and Niebocker; and recently designed two school buildings for the Los Angeles school system; and Lawrence B. Valk of Los Angeles who styles himself "a specialist in church and school architecture."

Miss Ida Nix and Frank Matlock Wed at Home Ceremony

A pretty home wedding took place October 4, 1921, at the residence of Mrs. S. J. Farrow, 210 West Doran street, when her niece, Miss Ida Nix of Norwood, Colo., became the bride of Frank Matlock, who has been employed in Idaho. The home was beautifully decorated in dahlias and Cecil Brunner roses. The ceremony took place at 8 o'clock in the evening. Rev. C. M. Calderwood officiating.

The bride was gowned in grey silk champagne and carried a bouquet of white carnations. She was attended by her cousin, Miss Alice Farrow, C. G. Farrow, Jr., acted as best man. Little Virginia Farrow, who wore a pretty pink organdie dress, was ring bearer and presented the ring in a large pink rose. Only immediate relatives and intimate friends of the young couple were present at the ceremony which was followed by a reception during which refreshments were served.

The bride is the daughter of Mrs. James Nix, who at the present time is a guest at the home of her cousin, Mrs. John E. Osborne, 210 West Doran street, while Mrs. Osborne was residing in San Diego and Miss Nix was a guest at her home there that the latter met Mr. Matlock, who at that time was in the United States Service and was stationed at San Diego.

Mr. and Mrs. Matlock left the morning after the wedding, in an automobile which was a wedding gift from the mother to the bride, for the vicinity of San Diego, where they will take charge of a large ranch, which has been purchased by Mrs. Nix for her home, and will remain there until Mrs. Nix returns from the east, where she will settle her business affairs prior to coming back to California permanently.

Knights of Pythias Hold Large Meeting, Greet New Members

A well attended and enthusiastic meeting of the Knights of Pythias was held in the K. of P. hall at 109 West Park avenue last night when a large class received the rank of knight. The meeting was attended by a large number of visitors from Los Angeles and surrounding towns among the dignitaries being Sheriff Traeger, and State Grand Chancellor Commander Brown, the latter officiating in the lodge work of the evening.

After the initiation which lasted until a late hour, a delicious banquet was put on under the direction of Knight Edwards and assistants. Attorney G. H. King, 106-A East Broadway, ably officiated as toastmaster at the banquet and several prominent speakers from Los Angeles responded.

Attorney King announces that next Friday night a large delegation of local knights will attend a meeting of the Citrus Belt association to be held at Pomona, the meeting to be composed of a number of members from the different lodges in the district. Important matters will be discussed it is announced, among them being the building of a rest home. Knight E. S. Melzer, 1009 Orange Grove avenue, will be on hand, says Attorney King, with his large touring car to take the delegates to Pomona.

Attorney King states there are 1000 or more Knights of Pythias in Glendale, and every one is a Glendale booster and behind every proposition that is for the advancement of the city.

OLDEST REALTY MAN HERE OBSERVING ANNIVERSARY

W. E. Borthick, Age 82, Says
Glendale Is Best; Tells
About 'Pioneer Days'

W. E. Borthick, 206 East Elk avenue, a resident of Glendale for the past sixteen years, is combining business and pleasure today while enjoying his 82d birthday. Mr. Borthick says he is the oldest real estate dealer in Glendale. Despite his years he is still active in realty business and today spent the greater part of the day at the office, 244 South Brand boulevard, attending to business and receiving many hearty congratulations from his relatives and friends in the business field.

Mr. Borthick was born in Johnson county, Missouri, October 19, 1839. In 1904 he came direct to Glendale and has since made his home here, having resided for the past thirteen years at 206 East Elk avenue. During his residence here Mr. Borthick has seen the marvelous growth and development of Glendale and it is hard to find any resident who is more enthused over the future of the city. In his own words he "has never seen anything like it" for development, expansion and prosperity.

"Boulevard" Was Sand
Associated with Mr. Borthick in the realty business was his brother, S. L. Borthick, until the latter's death two years ago. Mr. Borthick possesses a clear mind and is remarkably active for one so advanced in years.

"I remember when I first came here," he said, "we used to walk in the sand along Brand boulevard. I have never seen nor heard of a place that has undergone such a remarkable growth. Forgetting business now and giving good, honest advice, I want to say that right now is the time to buy Glendale real estate as a good investment."

Big Property Increase
"In the past eighteen months I have seen property increase four times in value, and in some cases almost five times. I must repeat there is no place like Glendale."

Mr. Borthick will be entertained at his home, 206 West Elk avenue, this evening with a sumptuous dinner, at which will be a large number of relatives and friends.

Change In Glendale Postoffice Will Be Efficiently Accomplished and Public Not Put to Any Trouble, Declares Lineberger

Through Attorney W. E. Evans of this city Congressman Walter F. Lineberger sends information from Washington which positively denies the insidious stories now being published by Los Angeles newspapers about the independent postoffice here.

It is true that Glendale, or any other city, must have its postoffice advanced from fourth class to the standing its business entities. Yet the postoffice department at Washington will arrange this

transition, according to the congressman, so that present service not only will be maintained, but that every move made will be for its betterment.

With its crowded conditions and insufficient equipment the Los Angeles postoffice should be glad Glendale is divorced. Being a separate municipality there has never been a reason since the early days that Glendale should not have a postmaster of its own. Several candidates for the new post are in the field, it is understood.

Asked concerning the prospect of the Rhine troops coming home, Secretary of War Weeks said: "It is a matter for the state department to decide. But if I were predicting, I would predict that the American flag will continue to fly on the Rhine for some time yet."

COLLEGE STUDENT IS LIVING TOO FAST, SAYS HARDING

WILLIAMSBURG, Va., Oct. 19.—The college student of America is living too fast. There is not enough of "plain living and high thinking" among his kind. This was the warning sounded today by President Harding, who spoke here at the inauguration of Dr. J. A. C. Chandler as president of William and Mary college. President Harding came here from Yorktown where earlier in the day he delivered an address at the celebration of the 140th anniversary of the surrender of Cornwallis. WHO WILL BE CHOSEN U. S. AMBASSADOR TO GERMANY?

WASHINGTON, Oct. 19.—Ratification of the German peace treaty, the last technical step in ending the war, brought sharply to the fore today the question of naming an American ambassador to Berlin. The designation of an American ambassador will be the next and final step in resuming the relations with Germany that were broken off by the recall of Ambassador Gerard on February 3, 1917. The choice of President Harding has narrowed down to two men, according to information from well informed sources today. They are: Colonel Wm. Boyce Thompson of Yonkers, New York, and Representative Alan B. Houghton of Corning, New York. Other names which have been under consideration, but which are now understood to have been discarded, include: Dr. David Jayne Hill, a former ambassador; Ex-Senator Albert J. Beveridge of Indiana, and Ellis Loring Dresel of Massachusetts, who has been American commissioner at Berlin since the armistice. Colonel Thompson is a millionaire banker who rendered yeoman service to the party during the last campaign as chairman of the ways and means committee which had charge of raising the funds. Representative Houghton is a millionaire glass manufacturer who is serving his second term in congress. He is 58 years old.

U. S. RAILWAY LABOR BOARD BATTLING FOR EXISTENCE

Organization's Abolishment Is
Threatened; Much Depends
on Strike Conference

By H. K. REYNOLDS

Written for International News Service.
WASHINGTON, D. C., Oct. 19.—The United States Railway Labor board—storm center of the wage controversy which threatens to precipitate the mightiest transportation tieup in the country's history—is about to go on trial for its life.

Liability of its members to emerge victorious from the anti-strike negotiations which open in Chicago on Thursday with chiefs of the "big four" brotherhoods, will mark the launching of a concerted drive in congress for the abolition of the board, according to the opinion expressed today by Senator Cummins of Iowa, chairman of the senate interstate commerce committee and author of the law which created the wage fixing body.

Open defiance of the Labor board and repudiation of its decisions by both railroad executives and labor organizations has led Senator Cummins to the conclusion that immediate and drastic changes in the board's legal makeup will be imperative if the impending conferences result in failure.

"If the railroad labor leaders and executives continue in their refusal to accept the decisions of the Labor board," Cummins declared, "it would be futile for it to continue to function. Nothing would be left over to do but to abolish the board altogether, or put teeth in the transportation act."

Abolition of the board, rather than the enlargement of its powers, is understood to be favored by the majority of the members of the Interstate Commerce committee though governmental regulation of railway wages and working conditions would be perpetuated by the transfer of such authority to the Interstate Commerce commission along with its control of freight rates and passenger fares. It is pointed out that the consolidation of these regulatory agencies would make it easier for the government to deal with knotty transportation problems than under the present system.

Armistice In Railroad Strike Virtually In Effect

CHICAGO, Oct. 19.—A virtual armistice in the rail strike situation was in effect today as all factions in the fight that threatened a nationwide tieup of the country's transportation facilities awaited the conference tomorrow of chiefs of the railroad brotherhoods with members of the United States railway labor board.

The impression prevailed in labor circles here today that the strike will be averted or at least postponed as a result of the conference which will begin tomorrow. Labor leaders have declared that any action that would assure a withdrawal of proposals of present wage cuts by the railroads would forestall the strike and postponement of wage reductions have been announced as a definite part of the labor board's plans for settlement of the controversy.

Three League Games Within Eight Days for Glendale Team

Coach Normal C. Hayhurst is busily instructing his football players in the finer points of the game this week in preparation for the coming eight days' strenuous program, which consists of three league games. This peculiar state of affairs promises to work one of the most serious hardships on the local players that could be done, but according to the Central league rules and regulations it is the only thing that can be done.

The three games will be with South Pasadena Thursday, Alhambra Monday and Citrus on Friday of next week. Monday's contest with Alhambra will be a postponed game between the two teams, their former game having been thrown into the discard on account of playing of ineligible players on both sides.

The game with Citrus will probably be the hardest of the trio, as they have not been scored upon in a league game this season and have an exceptionally strong team. Their main power centers about Hall, the star full-back who none but a strong team can stop. The game will be played on the home grounds which will help Glendale a great deal.

The South Pasadena game is a regular league game, being held on Thursday instead of Friday, because the team has the game with Alhambra on Monday, and Friday would throw the two games too close together, working a great hardship on the team.

Strike Would Add Ten Millions to Unemployed

WASHINGTON, Oct. 19.—Ten million men will be added to the ranks of unemployed in the United States if the threatened railroad strike actually goes into effect, it was estimated today by Secretary of Commerce Hoover. Workmen in many industries will be thrown out of employment in addition to the railroad men themselves.

Greater Sheesley Shows Secured to Provide Entertainment for Armistice Week Celebration Under Auspices American Legion

PRINCESS TESSIE AND HER TRAINED LEOPARDS
One of the features with the Great Sheesley Shows which come to Glendale November 7 - 12, under the auspices of Glendale Post No. 127, American Legion, Armistice Week celebration.

All arrangements have been completed for the big armistice week celebration to be staged under the auspices of Glendale Post, No. 127, American Legion, November 7 to 12. The Greater Sheesley Shows have been secured to supply the amusement feature of the celebration. They will bring with them twenty-five carloads of new and novel amusements with two carloads of wild and domestic animals as part of the entertainment program.

Featured over all the shows of the Sheesley company will be the wild animal arena. Here in a massive steel arena, lions, leopards, panthers, tigers, bears, in fact almost every known species of the denizens of the jungle, will be seen in subjugation. To the seeker of thrills and novelties Mr. Sheesley will offer for the first time under canvas the "League of Nations," featuring that irrepressible star of musical comedy, Miss Bobby Burns Murray in a joyous 100 per cent, clean girlie show. Probably the most sensational act

ever seen in Southern California will be the appearance of Miss Olive Hager in feats of daring with a motorcycle on a racing track, the walls of which are set at 90 degrees and is 60 feet in diameter. Favorable mention may also be made of the Louisiana Minstrels, who present as only southern darkies can the dreamy south. The life of the cowboy is presented by Jack Joyce and his company of wild west performers. A number of smaller attractions comprise the balance of the show.

SECTION MEETINGS OF TUESDAY CLUB ANNOUNCED

Number of Sessions Will Be Held; Literary Members In Charge Entertainment

(Continued From Page 1.)
assured that their labors were much appreciated.

Mrs. Williams impressed the importance of the fact that co-operation of all Tuesday Afternoon club members was essential for the success of electing their candidate for Queen of the American Legion activities for Armistice week. Mrs. Warren Roberts, Mrs. A. H. Montgomery, who has been appointed campaign manager for Mrs. Roberts, also told of the sale of tickets and plans of a campaign being arranged by her.

By Literary Section
Mrs. Colin Cable announced that the program for the afternoon was to be given by the members of the literary section, under the direction of the former curator, Mrs. A. M. Williams. The program was in the form of a regular meeting of the section and included the reading of the minutes by Mrs. G. H. Rowe. This was followed by a very interesting review of all the current magazines, telling of the various lines of subjects followed by the different magazines, given very ably by Mrs. John Dunn. Mrs. F. L. Hollingsworth, who is the present curator of the section gave a review of the book, "The Rising Tide of Color Against White World Supremacy" (Stoddard). This was a most thorough review of the book, which not only gives the present problems but dates far back into the subject of the white, yellow, black and red races.

This was followed by a group of two charming vocal solos given by Miss Marion Addison, accompanied at the piano by her sister, Mrs. Starkey. A book review on quite a contrasting subject from the one given by Mrs. Hollingsworth was that given by Mrs. Harry Clinton Wilcox on "The Invincible Minnie" (Holder). This was principally a book on character study with romance interwoven.

Beautiful bowls of large, wonderfully colored dahlias in red, yellow, orange shading into pink had been placed artistically at various parts of the hall by the decoration committee, of which Mrs. R. D. Angelica is chairman. These beautiful flowers were from the gardens of Mrs. D. Reichard, 1344 Valley View road.

Settlement of Strike In Oil Fields Nears

WASHINGTON, Oct. 19.—Prospects of a settlement of the strike in the California oil fields are good, it was said, following a conference between Secretary of Labor Davis and Thomas O'Donnell, a California producer and president of the Petroleum Institute. Neither Davis nor O'Donnell would comment on the situation, other than to say that prospects of settlement were bright and that further conferences would be held.

L. H. Wilson Will Build Small Homes to Develop City

L. H. Wilson, a well-to-do easterner who has recently arrived in Glendale, yesterday became a member of the Chamber of Commerce. His residence address is 1934 South San Fernando road. Already he is interested in the development of Glendale, having purchased a tract of twenty lots in the vicinity of San Fernando road and Park avenue. He first planned to put them on the market at \$800 but before the deal was out of escrow he was offered \$1200 each for the whole lot of lots. Realizing the possibilities for even better returns Mr. Wilson decided to build modern California homes on the tract and sell them to the ever-increasing number of home-seekers who are flocking to Glendale. His action is only a part of the building boom in southern Glendale which has been predicted by The Glendale Evening News as inevitable this fall and winter.

According to E. F. Sanders, assistant secretary of the Chamber of Commerce who also came from Chicago, Mr. Wilson was one of the prime movers in the Hamilton club there and is a substantial business man who will be a real asset to Glendale.

Head of State's Realty Board Gives Praise to The News

Fred E. Reed of Oakland, president of the California Real Estate association, through Glenn D. William, secretary-treasurer of that organization, conveys his sincere appreciation of The Glendale Evening News for the co-operation it is giving the state and local realty board. Mr. William states:

"Surely Glendale is growing like the proverbial weed. You carry more real estate classified advertising than the average daily newspaper in a city three times your population. Glendale must be expanding so rapidly that your mail man must have a hard job keeping up with the new arrivals."

In another paragraph he says, "A live real estate board not only avails itself of the news columns, but the realtors themselves increase their business by spending their money in the daily paper, like The Glendale Evening News, which gives them 100 per cent plus support."

"We expect Glendale to send every one of its realtors who are members of the association to the state convention at Oakland this winter, and to the National Realtors convention at San Francisco this summer."

Ambassador Geddes also will be a delegate alternating for the premier, if he is forced to return to England.

'AT END OF WORLD' T. D. & L. FEATURE FILM TODAY

Gambling Hall at Shanghai
Furnishes Locale for
Climactic Photoplay

Milton Sills, leading man in "Behind My Wife!" and other notable screen productions, was chosen to play the part of Gordon Deane, a novelist, in "At the End of the World," the Paramount picture starring Betty Compson which comes to the T. D. & L. theatre today and tomorrow.

In addition to Mr. Sills, the cast is further augmented by Mitchell Lewis, Casson Ferguson, Spottiswoode Aitken, Joseph Kilgour, Goro Kino and others. The story concerns the beautiful daughter of an Englishman who keeps a gambling hall and cafe in Shanghai, China. The father is killed in a gambling row and the girl, although in love with Deane, marries William Blaine, a Shanghai banker, thinking Deane has gone away never to return. As the story progresses, the destinies of two other men, Donald MacGregor, a deeply religious seafaring man who believes that Cherry loves him, and Harvey Allen, a weakling who commits a forgery in order to shower her with gifts, are interwoven with her own. The climax takes place on a far-away light-house island where Fate has brought the three men and the girl together.

Charlie Murray in Mack Sennett's comedy, "His Unhappy Finish," Kinograms, and Henri Monnet's organ solo complete the program.

Relief for Unemployed England's Big Problem

LONDON, Oct. 19.—Immediate relief for Great Britain's 1,500,000 unemployed was the most pressing domestic problem confronting the House of Commons when parliament convened after a recess since August 19.

Premier Lloyd George addressed Commons and outlined the government's measures for helping the unemployed.

British officials are following the labor situation in the United States closely. The opinion here is that if the American railroads are tied up by a national strike, American industry will inevitably become paralyzed and indirect effects may be felt here.

Austen Chamberlain, the government leader, announced that four bills would be introduced dealing with the unemployment crisis.

Kills Himself; Blames 'High Society People'

BEAUMONT, Texas, Oct. 19.—Leaving a note that "high society folks" had broken up his home, G. W. Sibley, of this city, killed himself. His wife secured a divorce Monday.

The annual cost of operating motor vehicles in the United States is estimated at \$8,957,600,000, of which \$784,000,000, or 11.3 per cent, is spent for gasoline.

Machinery for Big Inner Tube Factory Shipped From East

From those who are in touch with
the affairs of the U. S. Compression
Inner Tube company it has been
learned that all the machinery for
the immense factory, the buildings
for which are finished, has been
shipped from the east and is expected
to be on the ground within a few
days. The installation will be started
at once on its arrival and within sev-
eral months at the most it is expected
to have the plant in operation. It
is an industry lying at the outskirts
of Glendale on the San Fernando
Road and will bring many new resi-
dents to this vicinity.

secretary of the Chamber of Com-
merce at Lankershim, was elected

secretary of the Van Nuys booster
body, was named secretary of the val-
ley-wide organization.

E. F. Sanders, his assistant, repre-
sented the Glendale Chamber and re-
ported that George E. Bentley, S. C.
Packer and J. A. Newton were ac-
cepted as members, having been
named by the local board.

That the Pacoima people know
how to put up a "feed" was indicated
by the satisfied expressions on
Messrs. Rhoades and Sanders' faces
today.

John Wesley Kimble of Taxi Service Is Dead

vard, ever since coming to Glendale

the funeral has not been announced

URGE BANKING FOR SATURDAY NIGHT BE PERMITTED

Business Men Seek Plan by
Which Trade May Be Held
Here by Accommodation

Saturday night banking in Glen-
dale may become a reality if the com-
mittee appointed by the Chamber of
Commerce board of directors yester-
day afternoon succeeds in its pur-
pose. Directors S. C. Packer, V.
M. Hollister and D. L. Gregg were
named to wait upon the various
banks and their officers with a view
of having the centrally-located insti-
tutions take turn about in staying
open Saturday nights.

This action is deemed necessary
by the commercial organization be-
cause of the many complaints reach-
ing Secretary James M. Rhoades
about working people being paid by
check here and then going to Los An-
geles where they cash the paper and
spend a large share of their earnings.

Stores do not carry sufficient
funds over the week-end and after
banking hours to accommodate more
than a mere handful of those who
seek to cash their weekly pay checks.
In San Pedro and other suburban
cities there are said to be banks
which afford this service to the
working population.

Another subject of vital impor-
tance to the business men is that of a
Merchants' Credit association and
Secretary Rhoades announced that
Frank H. Pilling, a man of twenty
years' experience in credit bureau
work, will be his guest and would speak
at a meeting of those interested
Thursday night at 7:30 o'clock in the
Chamber headquarters, 115 West
Broadway.

Lose Much Money

Both bankers and business men
alike approve the idea of having a
rating bureau here which will co-
operate with those in Los Angeles,
Pasadena, and even more distant
cities. It is said that the merchants
who now give credit are muled of
hundreds of dollars by professional
"dead beats" who lose their standing
in communities which are organized
to combat them and gradually they
drift to such unprotected cities as
Glendale. From here they go to Los
Angeles and obtain credit and more
credit and finally throw disrepute
upon the entire community when it
asks for legitimate, financial accom-
modation.

Secretary Rhoades urges every
merchant who does or expects to
handle "charge accounts" to get in
on the ground floor of the organiza-
tion, which will be one unit of Cham-
ber of Commerce activities, he hopes.

Attorney Owen C. Emery made a
report on the public service depart-
ment; Peter L. Ferry told of the rail-
road committee's work, as reported
in last night's issue of The Glendale
Evening News; and other routine
business was attended to punctually,
the meeting yesterday being brief.
First Vice-President Jesse E. Smith
presided.

Buster Brown Store to Be Opened Very Soon

Workmen have completed the mo-
saic floor in the entrance of the Bus-
ter Brown shoe store, which will be
opened soon by W. C. Brown at 122
North Brand Blvd. The store with
its new arrangement of show win-
dows and its equipment of shelves
and fixtures, says Mr. Winkler, will
enable him to carry a complete line
of the Brown shoes and display them
to a good advantage.

Plenty of Business, Is Claim of A. H. Barnes

"We never sleep," said A. H.
Barnes of the Circle Real Estate com-
pany, 120 North Brand boulevard,
early this morning. "We should
have an owl for a window sign in-
stead of a circle. Last night pros-
pects detained us until late at the
office, and this morning we had to
be on the job before 7 o'clock. It's
strenuous, but we like the pace."

Mrs. W. C. Wattles Has Chapter at Luncheon

The members of Chapter AH, P.
E. O., were delightfully entertained
at luncheon yesterday at the home
of Mrs. W. C. Wattles, 1218 South
Glendale avenue, with Mrs. Nora
Tuttle and Mrs. Viva Davenport as-
sisting as hostesses. There was a
large attendance present. Visiting
members of P. E. O. included Mrs.
J. C. Huntley and Miss Aston. There
was a short business meeting and
program, which included a paper
read by Mrs. Carver of Los Angeles,
a reading by Mrs. W. C. Mabry and
two vocal solos by Mrs. Clyde Car-
mack.

COME HERE FROM INDIANA

Mrs. Charles E. Wallace and
daughter Mildred of Elkhart, Indi-
ana, will arrive tomorrow to spend
the winter with her sister, Mrs. A.
E. Eckleberger of 376 West Califor-
nia avenue. This will be Mrs. Wal-
lace's first visit to the Golden State
and much pleasure is anticipated.

London has a flourishing golf club
composed exclusively of actresses.

Thirty or forty years ago visitors
to New York used to climb to the top
of the Trinity church tower to see
the city, which lay at their feet.

COMMENT THAT'S ALL

October Weather 'Varied'
At Dawn's Early Light
Making Its Laws Stick
Business Men's Credits

By Gil A. Cowan

WEATHER—unusual. That is
not the official forecast, but
these warm days do make
people believe October is a fickle
month. With a roly-poly fog of an
evening that bobs over the mountains
to the desert and forms the clouds
which make the rain 'way back yon-
der and in the daytime the summer's
sun ripens the fall and winter crops
of California.

To the resident of the corn belt
this weather would be comparable to
Indian summer. The harvest moon
that comes sailing from over Mt.
Lowe before the hush of the fog
gives a scenic effect on the face of
the world that must be pleasing in-
deed to the Creator.

Nothing more inspiring can be
imagined than an airplane ride at
dusk where, from the heights, one
could view the benediction of the
day. The same effect can be gained
to a large extent by an evening's hike
up Mount Verdugo where, from the
sunset glow, to the final curtain of
night, there is a kaleidoscopic pro-
duction of unequalled beauty.

Not so readily described, however,
is the grandeur of the mornings. In
the first place there are few who are
up with the sun. At dawn's early
light the morning paper carrier boys
will be found stirring around, an oc-
casional interurban car rolls through
the city, the milk wagons conclude
their weary rounds and an automo-
bile or two rushes out with a party
bent on business or fishing in the far
distant hills.

Then the proscenium lights of day
are turned on by Old Sol, chief elec-
trician of this universe, and the birds
and the bees and human beings and
dumb animals all bestir themselves.
Yes, an essay could be written on
this subject. A friend of mine in
Washington used to say: "Get up
and hear the little birds sing their
praises to God!"

That's what we all ought to do.
A nation already alarmed, the rail
strike now takes a turn toward con-
ciliation. The government will in-
sist that the awards of the rail labor
board are carried out. It is going to
make the decisions "stick."

Hurrah!
A government that is unable to
enforce its laws and control its peo-
ple certainly is unfit to operate a
peanut stand, much less a railroad
system. When this government of
the people, by the people and for
the people becomes efficient as a con-
trolling force then it may succeed as
an operating agency. But that day
seems a long way off, in view of the
inefficiency rampant in so many of
the departments.

Organization of a Merchants'
Credit association should take place
tomorrow night at the Glendale
Chamber of Commerce headquarters,
115 West Broadway.

Every businessman with whom the
writer has talked favors the propo-
sition and there are practically no
cities of Glendale's size which do not
have a credit rating bureau.

Business men will be present and
hear experts advise them on the
necessity of organization. James M.
Rhoades, secretary of the Chamber
of Commerce, extends a personal in-
vitation to those interested.

Retired Pastors Meet at Association Picnic

Rev. and Mrs. C. R. Norton of 801
East Wilson avenue, Rev. and Mrs. A.
B. Smart of 110 Olive street and
Rev. and Mrs. Edward Hoskyn of
234 North Jackson street were the
Glendale members of the Southern
California Retired Methodist Minis-
ters' association who attended the
big picnic and get-together of the or-
ganization yesterday at Exposition
park, Los Angeles. The local dele-
gates went early and came late, re-
porting a "most wonderful time."

The picnic was an all-day affair,
the morning being set aside for a
business session and the afternoon
being turned into a social gathering.
At noon more than fifty of the for-
mer ministers and their wives and
families gathered around a long pic-
nic table, where they enjoyed a gen-
erous basket lunch. The day's cele-
bration was one of the regular quar-
terly assemblies of the organization.

Eagle Rock Department for Charles B. Guthrie

Charles B. Guthrie has just opened
a branch real estate office in Eagle
Rock, located on East Colorado
street near the corner of Virginia
street, right where the yellow car
line from Los Angeles terminates
and where a new business center is
developing.

The first forty-eight hours that of-
fice did \$10,500 worth of business, it
is stated. Mrs. Sarah Scholfield of
Eagle Rock is manager. Mr. Guthrie
states that things are up and doing in
that little city and they are expecting
big results.

Lee Manson, Formerly Resident, Visits Here

Lee Manson, former resident of
this city but who has been living in
Fitzgerald, Georgia, since his dis-
charge from the army two years ago,
returned to Glendale Monday night
and is at present staying at the home
of his parents, Mr. and Mrs. S. F.
Manson of 437½ West Dryden
street. Mr. Manson has stated his
intention of remaining here perma-
nently and will be joined by his wife
in this city in the near future.

'WAY DOWN EAST' IS AGAIN PLAYING AT GLENDALE

Griffith Masterpiece Returns
for Three Days, Telling
Its Human Story

There is no question as to the
greatness of the production, "Way
Down East," and at the Glendale
Theatre for three days this splendid
and thrilling amplification and
adaptation of the famous play of the
same name will fill the large audi-
torium twice daily. However, the
success of this picture here at its
first showing was but a repetition of
New York's approval, marked by
attendance surpassing that for the
corresponding weeks in the history of
Griffith's "The Birth of a Nation."

"Way Down East" has a human
story to tell, and there is a straight-
forward and effective method em-
ployed, with a culmination of tre-
mendous power. Indeed nothing has
ever been seen on stage or screen to
equal the thrilling intensity of the
scenes depicting the wanderings of
Anna Moore through snowstorm and
over ice and the rescue of the hope-
less young woman by David Bartlett
as she lies on an ice floe on the
brink of a falls. Realism is here
brought to the ultimate and the
scenes are presented with sincerity
by Lillian Gish and Richard Bar-
thelmess.

"Way Down East" represents the
most careful attention to detail with
some admirable landscapes and with
scenes that show the countryside at
all seasons of the year. Little
touches are so distinctively Griffith
have poetic value and there is a most
liberal proportion of fun, sometimes
of a boisterous sort, but always in
the spirit of the tale. The barn dance
with Creighton Hale as a bewildered
dancing professor is one of the big
fun hits of the piece.

Mysterious Theft! Garbage Can Gives Clues; Confession!

C. S. Proctor, who resides on Bur-
chett street, pleaded guilty this
morning in Police Judge P. H.
Lowe's court to stealing three
chickens from the yard of Bruce
Kurtz, a neighbor. The theft oc-
curred after midnight and the fowls
provided the piece de resistance for
an early breakfast, it is said. Mr.
Proctor was held on \$500 bail for fur-
ther hearing of his case Saturday
morning at 10 o'clock.

According to Mr. Kurtz, all of the
evidence was destroyed except the
legs of the chickens on which he had
purposely placed identification
bands. These he found in the gar-
bage can at the rear of the Proctor
home. The famous Philo Gubb
could have done no better detective
work, officials here agree.

Other Police News

Fred Hollinger of Huntington
Park was held on \$500 bail yester-
day to answer a charge of driving an
automobile while under the influence
of intoxicating liquor.

W. W. Jones of 430 Vine street re-
ports to the police that a neighbor's
cow bawls all day in a disturbing
manner. The police were sent to
investigate. It was found that the
fowls were enjoying free lunch and
that the cow was equally dissatisfied
with conditions.

During the warm spell several al-
leged mad dogs have been reported
and the heads of two turned over to
the health department for analysis.

The police are continuing their
search for Jessie Wythe, the 16-year-
old Glendale girl who disappeared
from San Fernando academy ten
days ago.

BABY IS CUT BY BOTTLE

Louis Reese, baby son of Mrs.
Ralph J. Reese, 401 West Elk ave-
nue, was taken to the Glendale San-
itarium and Hospital early last night
with a bad gash upon his head where
he had fallen upon his bottle.

SOUTH PASADENA IS BADLY WALLOPED BY MIDGETS

Glendale's Light Team Takes
Football Contest With
Score of 26 to 7

Glendale, 26; South Pasadena, 7.
That's the net result of the torrid
football battle staged yesterday af-
ternoon on the local lot between
Coach Butterfield's fighting Midgets
and the South Pasadena light-
weights. In spite of the extreme heat
and dusty field the contest was with-
out a doubt the best played and most
interesting of the year, with the
"miniatures" on both sides playing
real football from start to finish. A
crowd of approximately 500 loyal
rooters witnessed the fracas from the
grandstand, while the usual colony of
"railbirds" managed to see the plays
through the meshes of the Colorado
boulevard fence.

The Glendale pigskin chasers
failed to get under way during the
first few minutes of play, and for a
while it appeared as though the vis-
itors would emerge from the battle on
top of the heap. But all those on-
lookers who entertained such a
thought were not long in changing
their minds when the locals "snapped
out of it" in the second half and re-
sumed their customary championship
performances which have kept them
in the lead all season.

Glendale's Kickoff

The game opened with McKee of
Glendale kicking off for a distance
of forty yards, where Boyer, South
Pasadena's left half back, was
downed in his tracks as he received
the ball. The Blue and Gold backs
then proceeded to march through the
Glendale line for eight yards on three
downs. On the next play, which was
to have been a punt, Horri, Glen-
dale's little Japanese end, blocked
the kick and followed it up by falling
on the ball. From there the home
boys tore down the field to the fif-
teen-yard line, when Arden Gingery
called for the ball and dashed
through center for a touchdown and
the first score of the game. Horri
failed to convert.

South Pasadena then took a sud-
den lease on life and exhibited real
football by bucking through the op-
posing line almost the entire length
of the field to a well-earned touch-
down. Quarterback "Stumpy" Wright
of the Tigers followed the score with
a clean kick at goal, making the
score 7 to 6 in their favor.

Locals Get Busy

The visitors' lead lasted only a few
short moments, however, as the Glen-
dale scoring machine soon began to
function, although there was a slight
tinge of the element of luck sprin-
kled with the rest of it. Horatio
Butts, substituting at full for Rob-
erts who was injured in last week's
game with Covina, did his bit in the
first part of the third quarter when
he intercepted a South Pasadena
pass on the twenty-yard line and
dodged through five players for a
touchdown. The goal was again not
converted.

Joe McKee, the gangling sapling
who performs at right end for Coach
Butterfield's Red and Black appar-
eled athletes, was the individual star
of the day, making himself conspic-
uous in practically every play during
the game. Besides bobbling up as
poison to the rival backs while play-
ing on the defensive he further scin-
tillated by breaking away for re-
peated gains while on the offense.
Both of the remaining touchdowns
were made by this speedy young
man, one being after a run of forty
yards and the other after a seventy-
five yard dash through the entire
South Pasadena team. Each was
the result of the forward pass. Mc-
Kee converted both of the goals.

Some Other Stars

The other stars on the local squad
were Gingery and Horri, each of
whom showed up exceptionally well
on the defensive. Gingery, playing
safely, followed every South Pasade-
na play, smearing numerous ball
advancers who had managed to pen-
etrate his team's line. Horri, at left
end, was also a bear on the defensive,
downing Tiger backs on the opposite
side of the line on several occasions.

Following is the line-up:
Glendale—Horri, left end; Burns,
left tackle; Putnam, left guard;
Jeter, center; Goody, right guard;
Searles, right tackle; McKee, right
end; Gingery, quarter; Hand, left
half; White, right half; Butts, full.
South Pasadena—Mack, right
end; Richie, right tackle; Cecil, right
guard; Cronenweger, center; Dis-
tafino, left guard; Downs, left tackle;
Appling, left end; Wright, quarter;
Welden, right half; Boyer, left half;
Taylor, full.

PLANS LONG REST J. H. GARNSEY NEW AFTER 38 YEARS PRESIDENT FOR AS MINISTER FEDERATION

Rev. W. W. Cookman Will
Move Into Comfortable
Home, 638 N. Louise

Elected at Supper Held at
Methodist Church; Program
Proves Entertaining

The Rev. W. W. Cookman, who is retiring from the pastorate of the Pacific Avenue Methodist church this week, with Mrs. Cookman, will take up abode at 638 North Louise street, where they have built a comfortable seven-room bungalow. It is the Rev. Mr. Cookman's plan to take a complete rest since the Rev. Harley G. Preston is coming here to take up the strenuous duties of ministering to the congregation in the western section of the city.

"I am not tired of the work," said Mr. Cookman last night, as he stood on the veranda of the parsonage at 215 South Pacific avenue. "But I am tired in it after 38 years of active preaching from the pulpits in the rural communities to that of the First Church in Los Angeles."

Plenty of Work Ahead
"Already the call has come," he continued, "asking me to tour the Imperial Valley Methodist churches this fall, and I am sure that I will preach many times during my extended vacation."

Then the topic of conversation turned to the rapid strides being made by the churches of today in conforming with the spirit of the day and it is the Rev. Mr. Cookman's idea that the church should be as modern as any other institution. He expounds the idea of the open door and a cheering atmosphere, a church that ministers to the spirit of both men and women, young and old.

The retiring pastor is sure that the Rev. Mr. Preston, with his experiences in the World War as an enlisted man, his youth and vigor and membership in the American legion, will make for success here both in the man and church.

Guy H. Gibbs Forms Partnership; Plans Paint Manufacture

Guy H. Gibbs of the Pyramid Paint Products company, 704 East Broadway, announces he has formed a partnership with Frederick Hayes, 736 South Louise street, and Clifford Shaw of Los Angeles and will manufacture paints at 125 East Ninth street, Los Angeles.

Mr. Shaw is a paint maker of many years' experience, says Mr. Gibbs, and has made paints for several of the large paint manufacturers of California. The Glendale store on East Broadway will be a branch store, the business headquarters being in Los Angeles.

"We shall sell paints direct to the retail trade in both the local and the Los Angeles store," said Mr. Gibbs, "a feature which will help to reduce the price of paint. Mr. Shaw, our paint maker, is a very thorough and experienced paint maker and his experience in making paints for several of the large manufacturers of the state has given him a thorough knowledge of how to produce a high quality paint."

Large Meeting Is Held by Lodge of Rebekahs

More than 100 Rebekahs were present last night at the I. O. O. F. hall, 111A East Broadway, when six novitiates were initiated into the mysteries of the lodge.

Mrs. Myrtle Smith, present district deputy, and Mrs. Effie Adams, past district deputy, were present at the ceremonies and made addresses on the ideals of the order. They were accompanied by about thirty members of the Eastgate chapter of Los Angeles. Mrs. Mary Minty, past noble grand of Tacoma, Wash., James Minty and Robert Corbin of Shelburne, Ind., were visitors.

Sandwiches, cake and coffee were served and the evening closed with a short social session. The application for membership of Robert T. Hamilton, 830 East Harvard street, was received. Joseph E. Mayatt of Los Angeles and L. G. Sovern of Glendale were unable to be present and receive their "goat glands."

(Continued From Page 1.)
the fourteen points were included in the treaty.

"A new spiritual conception must be fired into the thought life of the world. People must force this conception into action and insist upon disarmament and education. There exists in Russia a famine which may mean the death of 30,000,000 people. Twenty million people in Germany this winter won't have enough to eat."

"We face a critical situation now; we may be involved in another world struggle before many years are over."

Labor Into Power

"British labor is coming into power. The British labor movement will take control of the situation in ten years. It is a keen labor movement, led by keen men, many of whom are closely associated with the teachings of Jesus Christ. It stands for a minimum standard of health; a minimum standard of education; a minimum standard of leisure and subsistence; democratic control of industry and a revolution in national finance. It believes in making those who made money out of the war pay for the war. It believes in using the surplus wealth of the nation for the common good. British labor isn't talking hours and wages any more—it is studying foreign affairs. British labor will certainly come into power within ten years."

"The soviet government is the only possible government in Russia and ought to be recognized. That is in total variance with everything you have heard about Russia, but it is not my point of view exclusively but that of everyone with whom we spoke who had come out of Russia after an investigation there this summer."

Total Cost of War

"The total cost of the war, exclusive of property damages, is given at \$329,000,000,000, but this does not include the cost of preparing for it. France was spending \$215,000,000 a year on her army and navy and \$150,000,000 for past wars. She was still paying for the wars of Napoleon. She was spending only \$46,000,000 for education. The cost of the last war was \$10,000,000 an hour."

The Rev. Mr. Oxnam outlined the results of the war as follows:

1. The economic breakdown of the world.
2. A peace that makes for another war.
3. A weaker race physically.
4. A backwash with its ridicule of idealism.
5. Nothing settled.
6. A heartbroken, cynical world.
7. The position of the white race imperiled.

8. Militarism rampant in France. "No one can understand the present situation in Europe who does not understand the fearful document that came from the secret chambers of Paris," declared Rev. Oxnam.

"The present situation in Europe can be understood only through a study of three major factors: The history of the Nineteenth Century and its social philosophy; the great war, and the Versailles Treaty."

Excellent Program

The musical program of the evening consisted of several violin selections by Roy Cunningham, 1007 North Louise street, who was accompanied by his sister, Miss Mabel Cunningham. There was considerable merriment when they were introduced as "Mr. and Mrs. Cunningham," but the error was soon corrected.

C. A. Griffith, chairman of Y. M. C. A. work in Los Angeles county, made a short talk, complimenting the activity and success of the Glendale branch under the leadership of Rex Kelly and urged continued moral and financial support.

A. G. Lindley, who has been president of the organization for two years, acted as chairman of the occasion. He remarked:

"Glendale has grown faster than any other city and the Federated Brotherhood must take a little credit to itself because the city has been kept clean and a desirable place in which to live. Our organization contains many of the best men in the town and this organization has been very active and always ready to take up any matter that we felt was for the uplifting of the community. There has been some criticism because we mixed in politics—but that was just the reason that we organized. Our motto is 'A clean city, kept clean.' The Brotherhood is open not only to members of the churches, but to all citizens who are in sympathy with our ideals as well."

Name New President

The blessing upon the supper, which was served by the women of the First Methodist church, was invoked by the Rev. V. Hunter Brink, pastor of the Central Avenue Methodist church.

For the coming year, J. H. Garnsey, 438 Vine street, was unanimously elected president of the organization, having been recommended by the nominating committee, consisting of W. B. Kirk, W. F. Tower and George Daugherty. Other officers will be selected by the executive committee, which is composed of representatives from each church.

BREAK GROUND FOR ALUMINUM WARE PRODUCTIONS

Large Factory to Be Built In
Burbank; Secretary of
Chamber Is Selected

The American Aluminum-Metal Products company broke ground at Burbank last week for its new 50,000 square foot plant for the manufacture of metal household articles.

To Mrs. M. E. Thomas of Pittsburgh, Pennsylvania, is credited the first shovel full of dirt, Mrs. Thomas being the first stockholder of the company.

The company expects to be ready for production about March 1, at which time they will manufacture some five hundred articles of household metal ware. Their employees will number over three hundred, with an annual payroll of over half million dollars.

Secretary for C. of C.

The new board of directors of the Burbank Chamber of Commerce authorized the president to enter into a contract with Robert W. Colburn to act as executive secretary of the Chamber for the coming year. Mr. Colburn was attracted to Glendale from Fallbrook where he was recently elected assemblyman. Recently he has become interested in Burbank.

Alas! 'Twasn't Diamond

Mrs. Robert Charles of San Fernando found a large size egg in one of her chicken coops a few days ago and in taking it up there appeared to be something rolling and rattling on the inside. Visions of diamonds flashed across her mind, that young biddy might have come in contact with and her curiosity was aroused and she made a small incision in the shell and upon draining the white and yolk of the egg found a much smaller egg with a perfect shell complete which had grown inside the normal egg.

Hoffman Ranch Sold

The Hoffman ranch of 110 acres has been sold to Frank Wulger of Cleveland, Ohio. This large acreage is right in the heart of the rapidly developing Lankershim district and has long been looked upon as one of the choicest pieces of property in the valley for subdivision.

Grading New Tract

Edwards & Willey have put a grading outfit to work on their new tract near the china and aluminum factories at Burbank, and will rush the work forward rapidly in their efforts to erect homes for the employees of these two concerns. It is also their intention to build several business blocks on the tract.

Walnut Acreage Growing

In a very few years the Zelzah section will contribute largely to the walnut output in southern California. The C. L. Hensel orchard is almost in full bearing; R. C. Ewing's orchard is beginning to yield; Alex. Jeffrey set a hundred or more acres last year, and the A. C. Mentry orchard is having a fine growth this year.

Gasoline Hoist Is Being Used to Aid Work on Building

The Rommel Construction company, 131 South Brand boulevard, has installed a gasoline hoist for expediting the work on the two-story building for S. Z. Walter at the northwest corner of South Brand boulevard and Maple street.

"It is the only elevator being used in Glendale for construction work," said H. E. Rommel of the company. "An electric hoist was tried, but the service made us change our minds and we have now installed the gasoline hoist, which is doing the business for us."

The Rommel Construction company begins work today on the school contracts in Eagle Rock, says Mr. Rommel, and work will be hurried along he says, so that the additions to the east side school and the west side school, and the new Central school building may be used as soon as possible.

S. S. Beran Says Plenty of Work Is Secured by Company

"We have plenty to keep us busy, in fact, we are kept on the jump most of the time," said S. S. Beran of the S. S. Beran company, general builders and contractors, 305 South Brand boulevard.

"We are starting a number of contracting jobs today," he stated. "One is at the corner of Verdugo Road and Standley avenue, another at 1850 South San Fernando Road, for T. W. Parr, and a \$44,000 garage for H. Jevne of Los Angeles."

The company is just finishing an oil station at 900 South San Fernando Road for J. W. Zimmerman, Mr. Beran said, and added that the company has much work on contracts in Los Angeles.

Business Man Shoots Wife, Daughter, Self

DENVER, Oct. 19.—William Schlecht, 54, prominent Denver business man, shot his wife and young daughter Tuesday afternoon. When the riot squad from police headquarters arrived Schlecht shot and killed himself. His wife and daughter are in a serious condition. Schlecht is believed to have gone suddenly insane.

Over \$400,000 In Building; Glendale Records Broken

With more than \$400,000 in building permits issued in two-thirds of the month, October already has broken all previous records, the 1920 figure being \$326,223. With one or more churches and several additional business blocks there seems to be no doubt about it breaking every record established by the fastest growing city in America of its class.

Today the big improvement noted is that of Betz, Daniels & Borthick, who are constructing a six store building on South Maryland avenue near Broadway. This will be one of the best side business street, it is believed by the builders.

Building permits issued during the past twenty-four hours are as follows:

Betz-Daniels-Borthick, 6 store brick, 106-14 South Maryland avenue	\$ 10,000
H. Park Arnold, 6 rooms and garage, 635 North Jackson street	4,000

Committee Session for People of Pennsylvania

A committee of five composed of Dr. F. M. Collier, chairman; Mrs. J. M. Fife, Harry LaFontaine, Mrs. R. W. Mottern and Mrs. Della Green will meet at 7:30 o'clock Saturday night at the home of Mrs. Fife, 517 North Jackson street, for the purpose of formulating plans for an organization of Pennsylvania people residing in Glendale, Burbank and Eagle Rock and to discuss arrangements for holding a picnic some time next month.

Since the announcement made by Dr. Collier that the organization would be formed of Pennsylvania people, there has been a large number registered at his office 125 1/2 North Brand boulevard.
